Create the UC System that you need
Flexible solutions that anyone can easily connect with, no matter what device they are using or how they prefer to work. You can create the UC system that you need with UX Pro Evolved and our ecosystem.

Remote management
Control multiple Clevertouch devices, wherever they are. The IT department can remotely take control of your company's fleet of Clevertouch displays.

Use for signage
Transform your screen into a digital signage display. With CleverLive you can broadcast messages, alerts and important information.

Screen mirroring with touch-back
Clevershare allows you to mirror any device, on any platform. With touch-back it's a two-way touch sharing application.

Key Features

The most secure panel with a comprehensive with up to 7 year warranty.

Wireless or hardwired connections so that team members and visitors can connect safely using separate networks.

**Seamless integration with room booking system - Sync with your MS Exchange™ and Outlook 365 Calenders.**

Sync with Google Drive, OneDrive and Dropbox so that you can work anywhere at any time.

Room filling sound with 2x20W audio.

The most fluid, lag free writing experience on a touchscreen with true 4K high Precision Technology.

Evolve your meetings with CleverLauncher. Create bespoke user interfaces.

Expandable storage of up to 1TB.

Instant Over-the-Air Updates (OTA) seamlessly delivered to your display.
