⚠ WARNING

- Do not begin the installation until you have read and understood the instructions and warnings contained in this installation sheet. If you have any question regarding any of the instruction or warning, please contact your local distributor.

- This mounting bracket was designed to be installed and utilized ONLY as specified in this manual. Improper installation of this product may cause damage or serious injury.

- Always use assistant or mechanical lifting equipment to safely lift and position equipment.

- Tighten screws firmly, but do not over tighten. Over tightening can damage the items, greatly reducing their holding power.

- This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.

- The display stand is not affixed or secured to the floor and may therefore tip over or fall if screen or stand is shaken or hit. Do not let children play alone around stand as they could get hurt by a falling screen. Not recommended for use in areas with heavy traffic.
IMPORTANT: Ensure you have received all parts according to the component checklist prior to installing. If any parts are missing or faulty, telephone your local distributor for a replacement.
