

FiberX FX-I375 and FX-I355 - 8K / 4K HDMI AOC Cables with ULS™ Maximum Security and Bandwidth up to 100 Meters

How do you make two great things, like the AOC cable technology and the patented ULS™ locking system even better? By combining them! Our FiberX HDMI AOC cable series for extra-long cable runs has now been expanded to include two new models featuring the Ultra-Lock-System™ for HDMI connectors. The 8K and 4K HDMI AOC cables can achieve transmission distances of up to 100 meters and can also be

securely locked into any conventional HDMI socket with a simple slide of the switch - one of a kind and a world first. With such significantly increased range and retention force, even distant devices can finally be connected securely while still being able to support their respective maximum bandwidth of 18Gbps or 48Gbps.

HDMI 2.0 / 2.1 Compatible

The cables are available in two variations - as 4K version (FX-I355) with 18Gbps for HDMI 2.0 and as 8K version (FX-I375) with up to 48Gbps for HDMI 2.1.

Patented Ultra-Lock-System™

The ULS™ technology locks the HDMI plug into every common HDMI socket using the 360° locking switch, thus ensuring permanently uninterrupted connections.

ATC Certified

It is now also possible for AOC cables to be ATC certified, which means that they are officially compatible with the HDMI standard. Our FX-I375 is ATC certified up to a length of 20 meters.

AOC Technology

AOC stands for „Active Optical Cable“, a hybrid cable construction of optical fiber for AV transmission and copper conductors for power and control signals over up to 100 meters.

Free of Halogens

The cable is manufactured without the use of halogens. In case of fire, it produces significantly less smoke than cables manufactured with halogens.

Plug&Play

The cable works according to the Plug&Play principle and can be used like a conventional, passive HDMI cable - connect and enjoy!

Product Overview

FX-I375 & FX-I355 - 8K / 4K HDMI AOC Cables

Parent	Art.-Nr.	Länge	Anschluss	Beschreibung	Netto UVP
	FX-I375				
	FX-I375-005	5.00m	HDMI-A → HDMI-A	8K Ultra High Speed HDMI AOC Cable (v2.1)	209.24 €
	FX-I375-007	7.50m		with 48Gbps for 8K / UltraHD-2 with 60Hz,	217.65 €
	FX-I375-010	10.00m		both sides with HDMI-A male connectors,	226.05 €
	FX-I375-012	12.00m		// ATC certified //	234.45 €
	FX-I375-015	15.00m		black	242.86 €
	FX-I375-020	20.00m			259.66 €
	FX-I375-025	25.00m	HDMI-A → HDMI-A	8K Ultra High Speed HDMI AOC Cable (v2.1)	284.87 €
	FX-I375-030	30.00m		with 48Gbps for 8K / UltraHD-2 with 60Hz,	301.68 €
				both sides with HDMI-A male connectors,	
				black	
	FX-I355				
	FX-I355-005	5.00m	HDMI-A → HDMI-A	4K Premium High Speed HDMI with Ethernet	158.82 €
	FX-I355-007	7.50m		AOC Cable (v2.0) with 18Gbps for 4K /	167.23 €
	FX-I355-010	10.00m		UltraHD with 60Hz, both sides with HDMI-A	175.63 €
	FX-I355-012	12.00m		male connectors	184.03 €
	FX-I355-015	15.00m		black	200.84 €
	FX-I355-020	20.00m			217.65 €
	FX-I355-025	25.00m			242.86 €
	FX-I355-030	30.00m			259.66 €
	FX-I355-040	40.00m			301.68 €
	FX-I355-050	50.00m			343.70 €
	FX-I355-060	60.00m			394.12 €
	FX-I355-070	70.00m			436.13 €
	FX-I355-100	100.00m			562.19 €
