

# ULTRA Series

## UL-767AES (VBS-HDIP-767AES)

Just Add  
**Power**  
AV over IP Solutions

## 4K Encoder (Transmitter) with AES67 Audio (LPCM up to 8CH)

### Send and Receive up to 8-Channels.

Our newest Ultra Series AES767 Encoder (Transmitter) features a HDMI loopout that supports AES67 audio systems/integration with any Just Add Power AV distribution system.

Distribute 4K video over a single Cat5e or greater network cable to every zone. Mix and match the Ultra Series 767AES Encoder (Transmitter) with ANY Ultra or Omega devices for interoperability with leading audio-over-IP technologies.

### Features

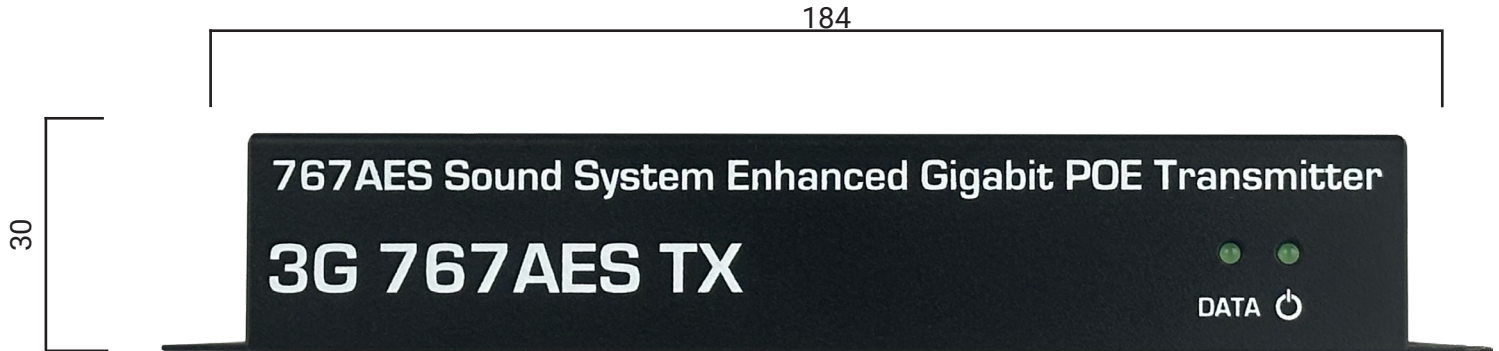

<b>Audio</b>	Input LPCM audio up to 8 channels  AES67 audio send and receive up to 8 channels  Inject AES67 audio into the J+P network	<b>Integrated Endpoint Control</b>	Control endpoints with RS232, IR, and CEC
		<b>Image Pull</b>	Preview an image from any source or display in any web browser or control system - up to 10 fps
<b>HDMI</b>	HDMI pass-through	<b>Scalability</b>	Fully compatible with all Ultra and Omega devices
