

EVER CABLE WINDER

SKU: 16-108-1

Wrap up the power cord when moving

For EVER 350, 350 Air and 620

Avoid damaging your cables when moving the stand to new locations. Use this cable holder to wind up both the power cable and other incoming cables when not plugged in. The large rounded cover plate, painted in the same color and texture as the stand will both hide & protect the cables as well as adding an extra design element to the stand.
