VIDEOCONFERENCING TROLLEY

for Samsung 130" IAC LED all-in-one

The TRV400.006 is a professional mobile trolley designed specifically for Samsung 130" IAC All-in-One LED screens. Its modern design with a premium finish combines elegant aesthetics with exceptional stability, ensuring safe operation even with ultra-large displays. The robust aluminum structure provides long-lasting durability, while the seamless height adjustment allows you to position the screen perfectly for any presentation space. Non-marking braked castors enable smooth mobility and secure locking, making the trolley easy to maneuver and safely fix in place.

An integrated cable management system ensures a clean and organized installation. With a wide VESA compatibility range from 100×100 to 1500×900, the trolley supports a broad selection of professional LED and LCD displays.
